

i-swim2
Standard - Maxi - SPA

Push your boundaries

Suitable for every kind of swimming pool deck

Turning seat for independent swimming pool access

i-swim2 enables independent swimming pool access.

Standard Model

i-swim2 is used in case of in-ground pools with / or without small curbs.

Maxi Model

with a different lifting structure this version provides the user with an extended reach.

SPA Model

i-swim2 SPA is the perfect solution for above ground pools, SPA and wellness centers.

Water access

In addition with the chosen lift model, the customer can order separately a mobile seat or stretcher. Thereby the same lift can be quickly configured for different needs.
